PROFESSIONAL EXPERIENCE

Full Stack Developer — Desire Div

Satya The Hive, Dwarka Expressway, Sector 102, Gurugram, Haryana 122505 | September 2024 – Present

- Developed and delivered **35+ client websites and web applications** across FinTech, Healthcare, EdTech, E-Commerce, Real Estate, Legal, and Non-Profit sectors.
- Built scalable full-stack applications using **Next.js, Node.js, and PostgreSQL**, collectively serving **5,000+ monthly active users**.
- Architected **CI/CD pipelines** with GitHub Actions, reducing deployment time from 30 minutes to 5 minutes (**83% improvement**).
- Integrated **Razorpay payment gateway**, Shiprocket logistics, MSG91 OTP, and **Auth.js** for secure payment processing and multi-provider authentication.
- Deployed and managed production applications on **AWS (EC2, S3)**, Vercel Pro, Cloudflare R2, Digital Ocean, and VPS servers, maintaining **99.9% uptime**.
- Optimized **15+ database queries** and implemented **Redis caching**, improving API response times by **30%**.

Tech Lead & Web Developer Intern — MnA Studio

Kota, Rajasthan | March 2024 – May 2024

- Led a **3-member development team** to deliver high-performance web solutions using Next.js and MongoDB.
- Improved SEO and page speed by **40%**, achieving **90+ Google Lighthouse scores** across all client sites.
- Collaborated with designers and backend developers in an Agile environment, ensuring on-time delivery.
- Conducted code reviews and maintained technical documentation for team knowledge sharing.
